Comments on Mr. [REDACTED] Speech
"National Security and Economic Growth"

Page 3, line 15. Substitute for, "they aim to catch up with us in output by 1965," the following, "they aim to narrow the production gap by 1965."

Page 5, lines 20-23. Delete from, "Evidence accumulated," to, "the immediate postwar period," as misleading.

Page 6, line 3. Add "increase in" before "output to match."

Page 9, line 5. Substitute "equally difficult" for "equally fruitless."

Page 9, line 16. Add "many of" before "the expenditures of our private economy"

Page 10, line 7. Substitute, "financing the national economy," for "financing research institutions"

Page 10, line 4. Add, after "their objective of economic development," the following, "and at the same time provide their people with a respectable level of living by Western standards."
